- 2,5 liter freezer cylinder
- 3-chamber freezer compartment
- Touchscreen

NA 9438 POWER COMBI TABLETOP ENERGY-EFFICIENT AND POWERFUL

The NA 9438 Power Combi T is unique in its kind. Why? It is the most compact and economical model on the market. With its small dimensions, this machine will fit into any business. Place it on a table or worktop and the ice cream and milkshake sales are ready to start. Ideal for smaller locations.

Despite its size, this combi machine offers a lot of possibilities. Besides ice cream, four flavours of milkshake can be served directly from the machine. This will ensure a surprise every time! Compared to other machines, the Power Combi T is extra energy-efficient. The capacity/consumption ratio is optimal for this machine. That implies lower costs and a positive impact on the environment. It is thus a conscious and smart choice.
